## April 2009 E-Newsletter

### Foster Homes Wanted

We are initiating a trial foster home program for dogs and cats to increase the number of animals we can rescue. If you would like information about becoming a foster home, please contact our adoption center/shelter at (907) 344-3622 or our business office at (907) 562-2999. At this time, foster homes must be located in the Anchorage area.

### Pet-Food Bank

Our pet-food bank is up and running, and we are anxious to reach out to animals who might need temporary assistance. We have dry and canned dog and cat food of various brands and sizes. If you know of someone who needs help caring for their pets, let us know – call (907) 562-2999.

### Thrift Shop Update

We are excited to announce that a new boutique area will soon be opening at the front of the Thrift Shop. The remainder of the store has been reorganized as well, and is a delight to explore. Please take a few moments to visit us. You'll find some wonderful bargains – especially in our growing book area with its wide selection at absolutely the best prices in town. Help spread the word that we are always grateful for donations of clothing, household items, etc. to sell.

### Alaska SPCA Visits PETCO

We are pleased to announce that we will be at Petco in South Anchorage (next to Michael's) on the first and third Sunday afternoons of each month. We look forward to introducing many terrific animal lovers to the Alaska SPCA, what we do, and how we do it. Please join us on our first day there, Sunday, April 19th, from 1:30 to 4 p.m.

### Volunteers Needed

Do you have a few hours a week to spare helping with light office tasks, working in the Thrift Shop, or caring for an animal? If so, we need you! Please call the Business Office
